

Here's what our members have to say about EWGA-Canada:

As you read these member testimonials you will see the same sentiments repeated over and over: friendship, friends for life, connections, fun, improvement, passion, opportunity, supportive, a welcoming organization.

I joined EWGA because I love golf and needed ladies to play with and to improve my game. I have met many new friends through EWGA and I love the fact that no matter what kind of golfer you are, you are not intimidated with golfing with anyone. Everyone is very supportive and there are many activities planned throughout the summer at many different courses that I would never have attended on my own, if it were not for this association.

EWGA provides an opportunity to golf whenever your schedule allows. Whether you're a weekend golfer, a get-out-after-work golfer, one that has the flexibility to golf during the day, or plain old golf obsessed like me, the EWGA has something for you. Just book a tee time or sign up for an event and you will find a friendly face at the course ready to enjoy an outing on the links with you. What could be better?

I moved to the Waterloo Region for a new job and two people I met through work mentioned EWGA to me, so I attended the Spring Kick-off 2008. I joined the EWGA Waterloo Chapter that spring and the Board that fall. The EWGA provides opportunities to golf, socialize, and meet women who work hard and play harder. I improve my game, learn about golf, make friends and socialize with a dynamic group of women. It makes me better at my job since I learn more about the community and businesses within the region.

I was looking to join a women's golf league to play at least once a week and that offered weekend events. I was introduced to EWGA, became a member and have had no regrets. I have improved my game and built my confidence for those corporate business tournaments. Also, I have made lifelong golfing friends who share my same passion for the game.

I am extremely busy sales person, and have never found time, or found any other women to golf with. Working primarily with men, made golfing difficult, but EWGA makes it so easy. What I love about EWGA is that I immediately found women to golf with, who not only are highly motivated in what they do, but are motivated to learn and grow with the game of golf. The association provides an ease to setting up a foursome, and participating in various events. Not only have I enjoyed the friendships affiliated with the membership, but have also acquired great business contacts. Golf and networking what more is there!

I had the best time of my life playing golf this past Saturday (April 25, 2009); the Callaway Golf Expo was magnificent, too.

EWGA has provided the opportunity I needed to learn to play golf and have fun doing it. I've met wonderful women who are passionate about the game and offer encouragement to new golfers. The regularly scheduled events make it easy for me to play on a regular basis. I highly recommend EWGA to any woman golfer. ~ *Sue Williamson*

I cannot begin to express how grateful I am in finding such a welcoming and fun organization! I was a little nervous joining EWGA at first because I am a novice golfer and thought that I wouldn't "fit in." It turned to be quite the opposite! I learned a lot about golf through the mentorship program they offer and teaming up with different ladies of all skills each week. I especially enjoy the organized events and opportunity to socialize!

EWGA delivers on their vision of connect, learn, play and belong. A member since 2007, the organization has connected me with women who enjoy golf like I do, improved my game and taught me how to establish and maintain a handicap, while offering me the opportunity to play a multitude of great courses. A wonderful group where belonging comes full circle at the 19th hole.

I have been an EWGA member for four years now and I have enjoyed so many benefits as a result. My game has improved, I have made many, many good friends, I play more often as a result of having so many playing partners, and my business network has grown by leaps and bounds. It is the best personal and business decision I have ever made.

Since joining EWGA, I have found great satisfaction in volunteering for our organization. It has given me the opportunity to network with other women, work on my golf skills, play wonderful golf courses, but most of all, the friendships I have made over the years is priceless.

My first golf game was with EWGA Waterloo Region at Don Valley Golf Course. I was so intimidated and yet had nothing to fear, because the members were welcoming, encouraging, and sincere. Their praise fuelled my passion. My golf game has improved substantially however what's even more important to me is that I've met hundreds of incredibly wonderful women and made life-long friendships.

I decided to join EWGA as my husband isn't as much of an avid golfer as I am. This was a great way for me to get out and play more. Since I joined in 2004 some of the benefits I've experienced are: I've learned more rules and now play by the book; I've competed in golf for the first time in official events; I've represented my chapter twice at Sectionals and hope to do so again in the future; I've made a tonne of new friends, many whom I socialize with outside of golf events; I've gone on a Ladies' Golfing Trip to Virginia!! The benefits just go on and on. I couldn't imagine not being a member and I would encourage any lady at any playing level to join. It truly is the friendliest group of women with the best support system.

I joined EWGA to improve my golf game. I started with a beginner's clinic and soon found that I could handle a game with confidence. I met many wonderful women who loved the game of golf as I do. Playing in scheduled events and having a variety of events is the best part. Socializing after a game is great fun and everyone is so friendly.

As a new golfer and busy IT support six years ago, I joined EWGA to learn to play golf. I met other women who were as passionate about the game as I am. The organization offers mentoring for beginners, fun events, golf clinics, competitive tournaments and allows me to golf at a wide variety of courses in GTA. Best of all, I never have to worry about finding a golf partner!

Love the game and EWGA has expanded my playing circle and given me friends for life. Women who enjoy the challenge of golf and who are out there to have fun, rain, hail or shine!

I joined EWGA at the recommendation of a work colleague. I have greatly enjoyed golfing and socializing with the women of the Waterloo Chapter. I have also enjoyed challenging my golf game by participating in the Chapter's competitive events. EWGA offers exactly what I am looking for from a women's golf league: flexible playing schedules, special events, sponsor promotions, and a great group of women!

I am an original member of EWGA Waterloo Region and throughout the years, I have met so many great members who enjoy the game of golf. The camaraderie is amazing and the fact that one can always arrange a game plus the opportunity of attending many special events throughout the year works for me! One can never have too many golfing partners but without EWGA this would not have happened.

Very few of my women friends are golfers and as my husband doesn't play, I found it difficult to get out on a regular basis. Thru EWGA I have met likeminded individuals as passionate about the game as I am and ultimately have made wonderful friends and business connections. As an added bonus, there are so many great organized events to get you out to play; it's easy...just sign up and show up!
